

CUTform OÜ

MISSION STATEMENT

CUTform OÜ will develop, manufacture in house, store and distribute metal laser cuts, fabrications, CNC machined components and assemblies of varying complexity. In addition, we will be supporting those methods that is important to us and our clients that we have yet to discover.

We understand and appreciate the many challenges our clients face regarding accuracy, complexity, and delivery. We will support those clients and their demands to the best of our ability. CUTform OÜ is a valuable tool to you, the end component user, by manufacturing and providing not only common items but also non-standard, small batch and difficult items as well. CUTform OÜ is one of many important and necessary links in a long chain of events that must take place in order to bring your needs to a successful completion. We will do our best to make that successful completion happen.
